NOTES

Packing Charge

- 1 New guns submitted in FINISHED condition may attract an extra handling chage of £6.04
- 2 The cost of Proof may include a surcharge for the extra cost of those calibres for which ammunition is rare, manufactured in low volume or is, by virtue of size, expensive and/or if material costs increase disproportionately.

 3 All prices above are for Proof, Re-Proof and Certification. Cleaning, stripping, assembly. Identifying, storage, packing, etc...may incur an additional charge.

 4 If 20 or more small arms are submitted for Proof, Re-Proof or Certification and are required for collection and invoicing at the same time, they will attract a 15% discount.
